PRODUCT ADVANTAGES

Fast Static Elimination

Significantly reduce static adsorption generated during the drying process, say goodbye to frizzy garments, sticking socks and lint-attracting troubles when you take clothes out of the dryer.

Wrinkle Resistant for Easier Ironing

Effectively reduce wrinkles formed on clothes, greatly lower the difficulty and workload of follow-up ironing, save your precious housework time.

Pure Gentle Softening

We only retain the core functions of removing static and softening fabric fibers, no heavy residual fragrance left on clothes to bring you fresh and comfortable wearing experience.

Fit for Wide Daily Use Scenarios

Perfect for household families, renters, college students and all groups pursuing efficient basic laundry, applicable for regular drying scenes of cotton T-shirts, underwear, bed sheets and other daily clothing.
